REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The record and all of the references, litigation documents, reexamination requests from related applications, and court and regulatory agency opinions provided in applicant's Information Disclosure Statements have been carefully and thoroughly reviewed.
2. The issued claims in the related applications have also been reviewed for potential double patenting issues.
3. The prior art does not appear to show the claimed limitations of the second operation code including precharge information that indicates whether the memory device should precharge sense amplifiers on the device after sensing data and wherein the read delay is selected to correspond to the value output to the memory device for storage in the register. These limitations are present in each of the independent claims in combination with other limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Glenn A. Auve whose telephone number is (571) 272-3623. The examiner can normally be reached on M-F 8:00 AM-5:30 PM, every other Friday off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mark Rinehart can be reached on (571) 272-3632. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
